

Located at 8404 River Road in Geismar, Louisiana, 25 miles south of Baton Rouge and 60 miles north of New Orleans

The Power of Partnership
Co-locating with BASF

Total property

Largest manufacturing site in Ascension Parish with 2,357 acres

Available property

Approximately 1,750 acres

Total employment

Approximately 1,000

Major products

Diols: butanediol, n-methyl pyrrolidone, butyrolactone, tetrahydrofuran, polytetrahydrofuran
Carboxy: glyoxal, pyrrolidone, n-vinylpyrrolidone, polyvinylpyrrolidone
Amines: morpholine, DMAPA, S-MOIPA, t-butylamine, cyclohexylamine
Performance chemicals: ethylene oxide, gas additives blending
Urethanes: toluene diisocyanate, mononitrobenzene, aniline, methylene diphenylisocyanate, polyols, hydrochloric acid

Major raw materials

Carbon monoxide, ethylene, benzene, DNT, formaldehyde, toluene, chlorine, caustic soda, nitric acid, hydrogen, oxygen, di-methylamine, ammonia

Infrastructure

Chemical processing technologies

Reppe chemistry, hydrogenation, dehydrogenation, chiral chemistry, amination, free radical polymerization, free radical insertion, ethoxylation, alkoxylation, amine condensation, phosgenation, nitration, neutralization

Transportation and logistics

Highway access to Interstate 10
Canadian National ICG rail service
Ship and barge access to Mississippi River
Product drumming and packaging

Pipeline connections

Ethylene (2), natural gas (3), hydrogen (3), oxygen, nitrogen (2), carbon monoxide, nitric acid, benzene, dinitrotoluene (DNT), chlorine, caustic

Pipelines accessible

(No current connection) Ethane/propane mix gas, iso-butane, propane (2), n-butane, syngas, ethane, natural gas (3), ethylene, ethylene dichloride, chloroform, methylene chloride, carbon tetrachloride, perchloroethylene

Utilities and energy

HP steam, DI water, clarified water, natural gas, instrument air, nitrogen, WWTP, co-generated steam power

Waste treatment

Biological wastewater treatment

Services

Accounting, emergency response, engineering, fire department, IT and telephone, maintenance, security, stores, training

Universities and colleges

Louisiana State University–Baton Rouge, La.
Southern University–Baton Rouge, La.
Baton Rouge Community College–Baton Rouge, La.
River Parishes Community College–Sorrento, La.

State economic incentives

The Louisiana Department of Economic Development administers the state's business incentive programs. More information can be found online at: <http://www.lded.state.la.us/businessresources/>
