East Windsor, Connecticut

Address: 12 Thompson Road, East Windsor, Connecticut 06088

Start of Production: 1970

Location:
Approximately 10 miles south of East Windsor is Hartford, Connecticut.

Site Manager: Alan Humphries

Number of Employees: 76

Product/Uses:

East Windsor applies surface coatings to parts to enhance performance characteristics. The coatings improve adhesion, thermal protection, tensile strength and abrasion parameters for products used in a variety of industries, including aerospace, automotive, power generation and medical.

Community Relations:

- BASF is one of the largest employers in the East Windsor area and supports many worthy causes and organizations through donations, contributions and volunteer service.
- The East Windsor site developed its own Charitable Contributions Committee which plans and executes events for the community and the employees.
- The site also supports the East Windsor Volunteer Ambulance Association, the 5 Corner Cupboard, the Enfield Food Pantry and the East Windsor Parks and Recreation.
- BASF is member of the East Windsor Chamber of Commerce.

Economic Impact:

- Annual payroll of \$5.4 million*
- Payment of \$127,000 in local and state taxes*
- Capital investment of \$1,803,000 in new plant equipment*

*Year-end 2008 data
